Dear Joan, Father Dennis
And Members of
St. Barnabas' Parish

Thank you so much for the generous gift to our Hispanic Ministry. Your \$600.00 gift, will help us to complete this year with our expanded budget and work. I am delighted to hear that you are planning to have some people here at the dedication service on September 11.

We have just completed our very successful first ever "Fiesta Latina" fundraiser. People from the three Sunday services worked together very well, and there is a real feeling of accomplishment and growth in the congregation.

Sunday I will baptize two teenagers. We also have a wedding and several other baptisms and Quinceanos celebrations planned this summer.

Gustavo, whose stipend you help to under write, is invaluable to making all this happen in a full blown manner of which we all can be proud. Thank you so much for your partnership with us in this ministry.

Thank you and bless you,

Father Don Maddux
