

Day School Environment

St. Barnabas Day School is a ministry of St. Barnabas Episcopal Church and has been serving families of Bainbridge Island for more than thirty years. Open to three, four and five year old children, the Day School is a non-profit preschool that welcomes children and families from all religions, cultures, races and family orientation.

Our Teachers and Staff are committed to providing children with a safe and loving atmosphere that encourages life-long learning. Children at the Day School learn through play as well as focusing on developing skills that prepare them for a successful transition to kindergarten and grade school. Parent participation is welcomed throughout the school year, but is not required.

Father Dennis, the church Rector, provides chapel for the children every month. Chapel times are positive learning experiences, taught with wisdom and love.
