

St. Barnabas Day School
Scholarship Application
2008-2009 School Year

The mission of St. Barnabas Day School is to provide a loving, inclusive community where each child is important, and where children learn about kindness, friendship and self.

St. Barnabas Day School is one of the lowest-cost preschools on Bainbridge Island, and tuition covers the cost of school operations each year. Scholarship funds are limited and come from two sources: fundraising by parents during the school year, and a special scholarship fund given in memory of Robby Carpenter. Scholarships are need-based and intended for students who are unable to pay full tuition due to financial hardship. It is our expectation that education is a priority for all attending families, and that every family will pay tuition to the best of their abilities. Priority will be given to families in greatest need, based on review by a scholarship committee headed by the Director and the Parish Rector.
