

ST BARNABAS EPISCOPAL CHURCH

1187 WYATT WAY NW.

BAINBRIDGE ISLAND, WA 98110

St. Barnabas Episcopal Church, Bainbridge Island, Washington, seeks a creative, energetic Music Director/Organist. We believe that music deepens, expands, and inspires our worship. A combination of amateur and professional musicians forms the backbone of our music ministry. The chancel choir, which rehearses weekly, has 12 – 18 singers including two section leaders. This position includes two Sunday morning Eucharists, major feasts of the church year and occasional Evensongs as well as other special events. Choral music is focused on the heritage of the Anglican and Episcopal church: plainchant, motets, and anthems. The church has a two manual, 28 stop organ by Bond Organ Builders (Opus 33) built in 2006. The church also has several fine pianos and handbells. There is great potential and interest in further expansion of the music program such as youth choirs, concerts, and special liturgies. This is a ¾ time position with salary range of \$60,000 - \$66,000 plus benefits. A bachelor's degree or equivalent and ideally a minimum of five years of previous experience required.
